Alisha Mujumale

Third-Year AIDS Engineering Student

alishamujumale@gmail.com 8766016925 Pune, India

Linkedin: Alisha Mujumale | LinkedIn

PROFILE

Artificial Intelligence and Data Science engineering student with a growing skill set in data analytics and software fundamentals. Actively learning Excel, Power BI, and Tableau for data analysis, while strengthening Python and Data Structures & Algorithms through LeetCode practice. Eager to apply technical and analytical skills in entry-level roles or internships and gain hands-on industry experience.

PROJECTS

Employee Management System

- Developed a system to manage employee records using **Python**, **SQL** and **DBMS** concepts.
- Implemented CRUD operations and ensured data integrity using keys and relationships.

Women's Safety Website

- Built a web application to promote women's safety and awareness using frontend web technologies.
- Designed user-friendly interfaces and handled basic user interactions.

Major League Baseball Historical Data Analysis - Advanced SQL Data Analysis – Course Project (Udemy)

- Analysed large datasets using advanced SQL queries including **subqueries**, **CTEs**, and **window functions.**
- Performed salary analysis, career trend analysis, and comparative data analysis.

Employee-Attrition-Analysis-Dashboard-Employee-Attrition-Prediction

- Cleaned data of employees and made a dynamic dashboard using **power bi** and attrition prediction using ML

Email-Fraud-Detection using Machine Learning- Ongoing

COURSES

- **SQL for Data Analysis** - Advanced SQL Querying Techniques (Udemy)- Completed
- **Microsoft Power BI Desktop for Business Intelligence** (Udemy)- Ongoing
- **Data Analysis | SQL Tableau Power BI and Excel | Real Projects** (Udemy)- Ongoing
- **Introduction to C++** (Sololearn)- Completed

SKILLS

- **Languages :** Python, C++, html, CSS, SQL
- **Libraries:** Pandas, Matplotlib, NumPy
- **Tools:** Git, GitHub, Power bi, Tableau, VS code, Jupyter notebook, MySQL Workbench

EDUCATION

3rd Year - Artificial Intelligence and Data Science Engineering **Score: 9 cgpa (avg)**
(P.E.S Modern College of Engineering) 2023-2027 Batch
Pune,India

H.S.C **Score: 74.67%**
Arham Junior College 2020-2022
Pune,India

S.S.C **Score: 93.8%**
Dnyanganga English Medium School 2007-2020
Pune,India
